Prom

2018 Prom

By Meeya Parker and Hunter McCoy

It's that time of year again. The time some people refer to as prom season. Fairless High School prom was on May 5th. The theme was "A Night in New York City." Prom was held at La Pizzeria again this year at 6:00p.m., with the only difference being red sauce and a new King and Queen. Tickets were sold for \$45 per person.

Dinner was served at 7:00p.m. For dinner there was salad, chicken, fish, sausage with green peppers, green beans, rigatoni, potato wedges, and bread. Students began dancing around 8:00p.m. Dessert was served about the same time with the options of vanilla ice cream or chocolate mousse. This year's prom king and queen were announced at 10:00p.m. Caleb Kelly and his girlfriend Courtney Brown took the

honors. Kelley stated "I had a very enjoyable time with all of my friends". Prom ended at 11:00p.m.. The total cost of prom came to \$6,500 for the 157 students who attended.

Ms. Holland and the prom committee did a wonderful job decorating and preparing for the night. Students on the committee were this years Junior Class Officers President Bailey Ivy, Vice President Chase Himes, Secretary Jessica Piercy and Publicity Manager Brandy Truman. Also, included were Josh Boggs, Brooke Boughman, Jada Burson, Rebecca Garren, Colin Long, Morgan Leonard, Summer McMerrel, Brianna McNutt, Miranda Ruegg and Lexi Sexton. Big thanks to Ms. Holland and the committee and the chaperones who gave up their free time.
