Extra! Extra! Homecoming Edition!

Fall Homecoming 2018

By Alyssa Neff

On Saturday, September 22nd, Fairless High School held their annual Fall Homecoming. This tradition is important to schools and colleges nationwide because it honors the past alumni and the school's existence. Fall Homecoming is meant to represent the sports during this season as well. These sports include: football, volleyball, golf, soccer, cross country, and other activities.

The theme of the dance was "Feelin' Groovy." The students of Fairless got their boogie on, thanks to the DJ who played music from multiple eras. Decorations from different decades were all over the high school for the dance. Down the hallway, there was vintage band T-shirts and posters from every era for raffle.

Along with those was also a photobooth and a caricature artist to capture your cartoon self!

Attendants from this year's Fall Homecoming were Freshmen Brylyn Fisk and Brock Hrynko, Sophomores Annabelle Ehmer and Conner Durrant, Juniors Kelly Wade and Logan Slutz, and Seniors Emma Engle and Noah Gill, Erika Lear and Kaycee Jewell, and Grace Short and Logan Schafer. The king and queen, Schafer and Short,

were crowned at Friday night's football game. Congratulations to those on the Homecoming Court!
