The 170th Stark County Fair

By: Katie Feucht

Did you get a chance to attend the 170th annual Progressive Stark County Fair? The fair started on Tuesday, August 27th and went until Labor Day, Monday, September 2nd. Fairless had many representatives that succeeded in a variety of projects.

This year there were many of their famous attractions and events that occurred. Some of them included exciting rides, intense animal shows, square dances, band shows, live concerts, truck and tractor pulls, scavenger hunts, demolition derbies, and so much more. Another popular attraction that appeals to everyone is the fair food. Milkshakes from the 4Hers, Jack and Rich's fries, mashed potato bowls, and Old-Fashioned Rootbeer are just some of the many favorites. Some of the new stands were the boardwalk wonton noodles, cookie dough, corn on the cob and nachos.

On the first night of the fair, multiple Fairless students had a memorable night. The members of the Fairless Falcon Marching Band had the opportunity to perform their first show for the first time in front of many people seated in the Grandstand. Their show titled "Summer Vibes," featured songs "Already Gone," "The Lazy Song" and "Bang the Drum." Luckily, they were the third band of the first show, so they missed the rain showers. Also, on that night, the

outstanding youth and royalty awards were handed out to 4Hers. Two of our very own students were crowned as royalty; Senior Chase Snyder was crowned as the 2019 Stark County Fair King, and Junior Sullivan Kennedy was crowned as the 2019 Stark County Fair 1st Runner-Up. However, instead of a crown they were honored with a hat.

There were many FHS students that represented themselves in various clubs and groups. Sullivan Kennedy, Emma Fisher, Bailey Poths, and Kayla Carter were all members of the Jr. Fairboard and helped the fair run smoothly. Many students were apart of Jr. committees such as Emma Klick, Ila Klick, and Kendra Feucht with the swine committee, and Chase Snyder with the beef committee.

All of the students had a very memorable and fun fair, and all of their hard work from the past year paid off. There were numerous students that their extraordinary work paid off just a bit more. Some of these students were Kendra Feucht, Sullivan Kennedy, Matt Wentling, and Billy Kegley. Feucht received 5th place carcass hog for meat quality and got the chance to auction it off at the sale. Kennedy achieved the award of Reserve Grand Champion Broilers. Wentling's hard work

paid off, and he received Reserve Grand Champion Dairy Feeder Showman. Last, but not least, Kegley was awarded Grand Champion Steer Showman. These are just a few of the many awards that people at FHS acquired.

Overall, this year's fair was quite a success. Most days were full of excitement, beautiful weather, fun, and many awards! If you see a participant from the fair, be sure to congratulate them on all of their hard work, and if you did not have a chance to see anyone in action this year, there is always next year! Mark your calendars for September 1st through September 7th.
