Fall Homecoming 2019

By Emma Klick

Did you get a chance to attend this year's fall homecoming? The theme was, "An Evening in Paris." Homecoming was a great evening spent in Paris, thanks to the Student Council. This year it took place on Saturday, October 12th, at the middle school, and there were 312 students that attended. Student Council worked very hard to create amazing decorations, such as the balloon arch, and a fence with "love locks." The bleachers were decorated with string lights and tulle, and an amazing eighteen foot Eiffel Tower will not be forgotten. Throughout the evening, there were pictures in the cafeteria along with water, snacks, and cookies. In the gymnasium, people spent their time dancing with friends to the DJ's, Hat's Off Entertainment, fun music.

On Friday, October 4th, the court was announced at a morning ceremony. This year's freshman attendant was Gracie Ashton, and the freshman escort was Brody Pumneo. Abbey Buchanan was the sophomore attendant, and her escort was Max Kirby. For the junior class, the attendant was Brandi Carter, and her escort was Justin Kornish. The senior attendants were Kate Ashton, Katie Feucht, and Chloe Palfy. The senior escorts were Kyle Hunter, Riley Kline, and Zack Fowler. On Friday, October 11th, the court was recognized at the football game, and the king and queen were announced. Out of the senior attendants and escorts, Riley Kline and Katie

Feucht were crowned King and Queen for the Twenty-Nineteen Fall Homecoming.

Congratulations to the King and Queen and the rest of their court on this year's fall homecoming! Also, a huge thank you to Student Council and the chaperones for putting on a spectacular evening in Paris for everyone to enjoy.
